Your journey will start at Crissy Field, on the shores of the San Francisco Bay underneath the iconic Golden Gate Bridge. Your first step will be to cross the bridge into the Marin Headlands, where you will traverse epic singletrack trails while visiting the trail running landmarks of Muir Beach, Rodeo Beach, and Tennessee Valley. Finally, you will return to the Golden Gate Bridge and cross back into the city, heading for the finish line party right back where you started at Crissy Field. You can expect long climbs on extremely well-maintained trails, brief technical sections, and amazing views throughout the course.

The 50k race boasts 4,397 ft. of climbing and descending with a high point of approximately 940 ft.

You can navigate the interactive race map at our official website [here](#).

Aid Stations and Cutoffs

Our goal with our intermediate cutoff times is to allow runners to stay on the course as long as possible. 50k runners will benefit from the longer cutoff times allowed for the 50-mile distance.

Aid	Distance	Cutoff	Pacers/Crew
Start	0		
Golden Gate Bridge	3.0		No
Tennessee Valley	8.2		Crew
Deer Park	13.8		No
Muir Beach	16.4	3:00 PM	Pacers/Crew
Rodeo Beach	22.2	4:30 PM	Pacers/Crew
Gerbode	23.7	6:00 PM	Crew
Golden Gate Bridge	27.3	6:25 PM	Crew
Finish	30.3		

Bridge Cutoff

The Golden Gate Bridge has daily operating hours between 5:00am and 6:30pm for all pedestrian foot traffic. Therefore, in order to reach the finish, you **MUST** reach the final Aid Station (mile 27.2 approx.) by 6:25pm or approximately 11 hours and 25 minutes. Runners who do not LEAVE the Golden Gate Bridge aid station by 6:25pm will not be allowed to proceed and will be transported to the finish line.

Aid Station Offerings

Aid stations will provide a variety of nutrition options, including water, electrolyte drinks, sodas, GU energy gels and stroopwafels, salty snacks (chips), bars, fruit (bananas and oranges), nuts, and candy. Due to park regulations we will not be offering hot items.

Mandatory Equipment

- **Bib number** must be visible from the front during the entire race. Staff along the race course MUST be able to read the number clearly.
- **Chip timing tag** must be worn for the duration of the race.
- **One 500ml (17 oz) water carrying vessel AND 400 calories of nutrition**
- **Headlamp: one headlamp** of minimum 300 lumens or better, plus backup batteries or power source. Having adequate lighting is a crucial safety requirement for you and our staff. As such, it will be strictly enforced. Runners must have a headlamp in order to leave any aid station after 4:00pm. During the daytime sections runners may leave their headlamps with crew or in drop bags.
- **Waterproof jacket** - coastal weather can change quickly. In the unlikely event you are lost or injured and must wait for rescue, hypothermia can set in rapidly. Please monitor pre-race communications and Spartan Trail social media accounts – if a waterproof jacket is required, we will make an announcement during race week. If we do not make an announcement, a waterproof jacket is not required.

Recommended Equipment

Some additional gear to consider:

- Trekking poles are allowed.
- Short running gaiters to keep debris out is a great way to prevent blisters
- Multifunctional neck gaiter or buff which can double as a head cover during cooler temps
- Sunscreen
- Running hat and/or visor
- Eyewear: keep in mind that the race course goes through dark forest areas and sunny open lands so proper eyewear is recommended
- A spare change of clothing in your drop bags
- Warm and dry clothes at the start/finish bag check

Drop Policy

If it turns out not to be your day and you are unable to complete the race, ***you may drop at the nearest aid station by surrendering your race bib to the aid station captain.*** Transportation will be provided to transfer you back to the finish line.

We have taken extensive measures to account for all runners that are on course and those dropped from the race. Course Marshals or any other staff/volunteer members are **NOT** authorized to record any dropped participants.

****** DO NOT exit the course without notifying our staff if you decided to drop. Failure to do so may result in dispatching search and rescue personnel to locate you. You will be responsible for such expenses. ******
